

WINTER AND REGIONAL ACADEMY PROGRAMMING

Registration Starts online Monday, October 26th

Program Overview

In the West Region the winter programs are offered as a partnership between West Region Soccer, UNB Varsity Reds Soccer and the Fredericton District Soccer Association. This partnership ensures that we are able to offer a variety of programs focused on providing the best possible service to all members of the local soccer community. We aim to offer programs for players with all levels of skill and experience, and all levels of ambition.

REDS Academy and West Region Soccer Association

The REDS Academy is a partnership between the Fredericton District Soccer Association and UNB Varsity Reds. Once again in 2015/16 the REDS Academy is pleased to be partnering with the West Region Soccer Association to offer winter programming.

This is an exciting partnership that sees local youth players having the opportunity to connect with University Level Athletes and Coaches, and work with some of the best soccer coaches in the Region each winter.

It is the vision of the REDS Academy to provide a challenging environment, that will allow local players to maximize their potential as soccer players, and have players from our Academy continue on to University/ College Soccer and beyond.
