

# Winter and Regional Academy Programming

# Program Overview

In the West Region the winter programs are offered as a partnership between, West Region Soccer, UNB Varsity Reds Soccer, and the Fredericton District Soccer Association. This partnership ensures that we are able to offer a variety of programs focused on providing the best possible service to all members of the local soccer community. We aim to offer programs for players with all levels of skill and experience, and all levels of ambition.

## Recreational Programs

<b>Registration</b>	\$1600.00 (applications due November 2 <sup>nd</sup> ) - <b>Registration includes:</b> Registration in the WRSA Academy Program, Tournament Registration fees, and guest speakers. *Please note that accommodations, transportation and meals are not included in the registration fees.
<b>Dates</b>	November ?? To March ??
<b>Additional</b>	In addition to last year's program this year we will be offering increased information on the college recruiting process, and will be trying to offer additional showcase opportunities to players who desire the opportunity to attend more events.

# New Registration Process

# POWERUP MEMBER ZONE

The PowerUp Member Zone provides an industry leading, intuitive player/team registration and payment process. Members have access to detailed player information including presentation of team details, schedules, results and standings, as well as coaching contacts.

Members can come and go as they please to access payment and tax receipts, schedules and club news. The unique Family Calendar presents a consolidated event listing for all members of their household (players, coaches and/or referees).

## **HIGHLIGHTS**

Permanent family profiles

Securely check player and family schedules, including coaching, volunteer and referee assignments

Simple, intuitive registration process designed to reduce errors.

Permanent access to registration and tax receipts.

Enables members to check schedules and club news via their mobile device through PowerUp Connect.

Provides (when desired) multilingual content and Member Zone support to improve community outreach.
