<b>Dates</b>	November ?? To March ??
<b>Additional</b>	In addition to last year's program this year we will be offering increased information on the college recruiting process, and will be trying to offer additional showcase opportunities to players who

# Registration

# POWERUP MEMBER ZONE

The PowerUp Member Zone provides an industry leading, intuitive player/team registration and payment process. Members have access to detailed player information including presentation of team details, schedules, results and standings, as well as coaching contacts.

Members can come and go as they please to access payment and tax receipts, schedules and club news. The unique Family Calendar presents a consolidated event listing for all members of their household (players, coaches and/or referees).

## **HIGHLIGHTS**

Permanent family profiles

Securely check player and family schedules, including coaching, volunteer and referee assignments

Simple, intuitive registration process designed to reduce errors.

Permanent access to registration and tax receipts.

Enables members to check schedules and club news via their mobile device through PowerUp Connect.

Provides (when desired) multilingual content and Member Zone support to improve community outreach.
