Subject: Effective immediately FDSA activities are suspended until further notice

In alignment with the recent press release from the Government of New Brunswick and following other sports groups in our Province, we have taken the decision to suspend all FDSA activities until further notice. Currently there are many unknown variables regarding COVID-19 (Coronavirus) in New Brunswick. The health and well-being of our players, coaches, officials and families are of the utmost importance.

We will look to reassess as the health information changes. Any updates will be made available on our website and social media accounts.

Regards,

Barry Morrison
Club Head Coach
FDSA

Dennis van den Heuvel
Executive Director
FDSA

Amy Whyte-wood- Hughes
President
FDSA
