

Updated FDSA Field Closure Policy

In light of the recent heavy rain and storms, the FDSA would like to communicate clearly our policy on how the closing of grass fields will be handled moving forward.

The City of Fredericton is responsible for the closing of grass fields. They will post notification on the Fredericton Recreation & Leisure Facebook page & Twitter account by 4pm. Once notified, FDSA will also post any closures to our website, Facebook and Twitter accounts. Turf fields (Scotia Bank South, Scotia Bank North & UNB BMO Field) DO NOT close due to rain!

If grass fields remain open and it is raining or begins to rain after 4pm, FDSA will NOT close fields. Games or practices will continue as scheduled. If it is thundering &/or lightning, activities cannot start until there has been 30 consecutive minutes without thunder or lightning.

As always, please use your discretion when determining whether it is safe for your child to participate.

For field closure updates please go to the following sources:

www.fdsa.org

Facebook - @fdsa.org & Fredericton – Recreation & Leisure

Twitter - @fdsasoccer & @CityFredRec

Oromocto - <http://oromoctosoccer.goalline.ca/> - will appear on ticker

Thank for your understanding & cooperation!
